```

    class CCLayer
    class LeapListener["<LeapListener>"]
    class FingerPaintingScene
    CCLayer <|-- FingerPaintingScene
    LeapListener <|-- FingerPaintingScene
```

The diagram illustrates a class hierarchy. At the bottom is the class 'FingerPaintingScene'. Two arrows point upwards from 'FingerPaintingScene' to the classes 'CCLayer' and '<LeapListener>' positioned above it, indicating that 'FingerPaintingScene' inherits from both 'CCLayer' and '<LeapListener>'.
